- Leaflet + OpenStreetMap (no API key required)

- Truc

```
# Start all services
```

cp .

```
Web:    http://localhost:3000
```

```
API:
```

```
# Backend
```

```
cd ap
```

```
git checkout -b thelastestdesgin_nigggga
```

```
git a
```

1. New user registrations default to CUSTOMER regardless of selection

2. Jol

```
MYSQL_DATABASE=naql
```

```
MYSQ
```
